Shell Eco-Marathon 2013

The challenge of the Shell Eco-marathon 2013 is as simple as always. It's about to design, to build and to drive the most fuel-efficient vehicle. Since 2012 the competition is taking place in Rotterdam, Netherlands. So...[\[more\]](#)

Shell Eco-Marathon 2012

One more time the challenge of the Shell Eco-Marathon is simple: it is about to design, build and drive the most fuel-efficient vehicle. The competition in Europe is taking place on a more realistic stage this year than ever...[\[more\]](#)

New website online

We are pleased to present you our all new website to inform you about the latest news about the Shell Eco Marathon. This year the event takes place on the city circuit in Rotterdam. Once again our team will report live from the...[\[more\]](#)
